

SYSTEM 25

The ultimate in functionality!

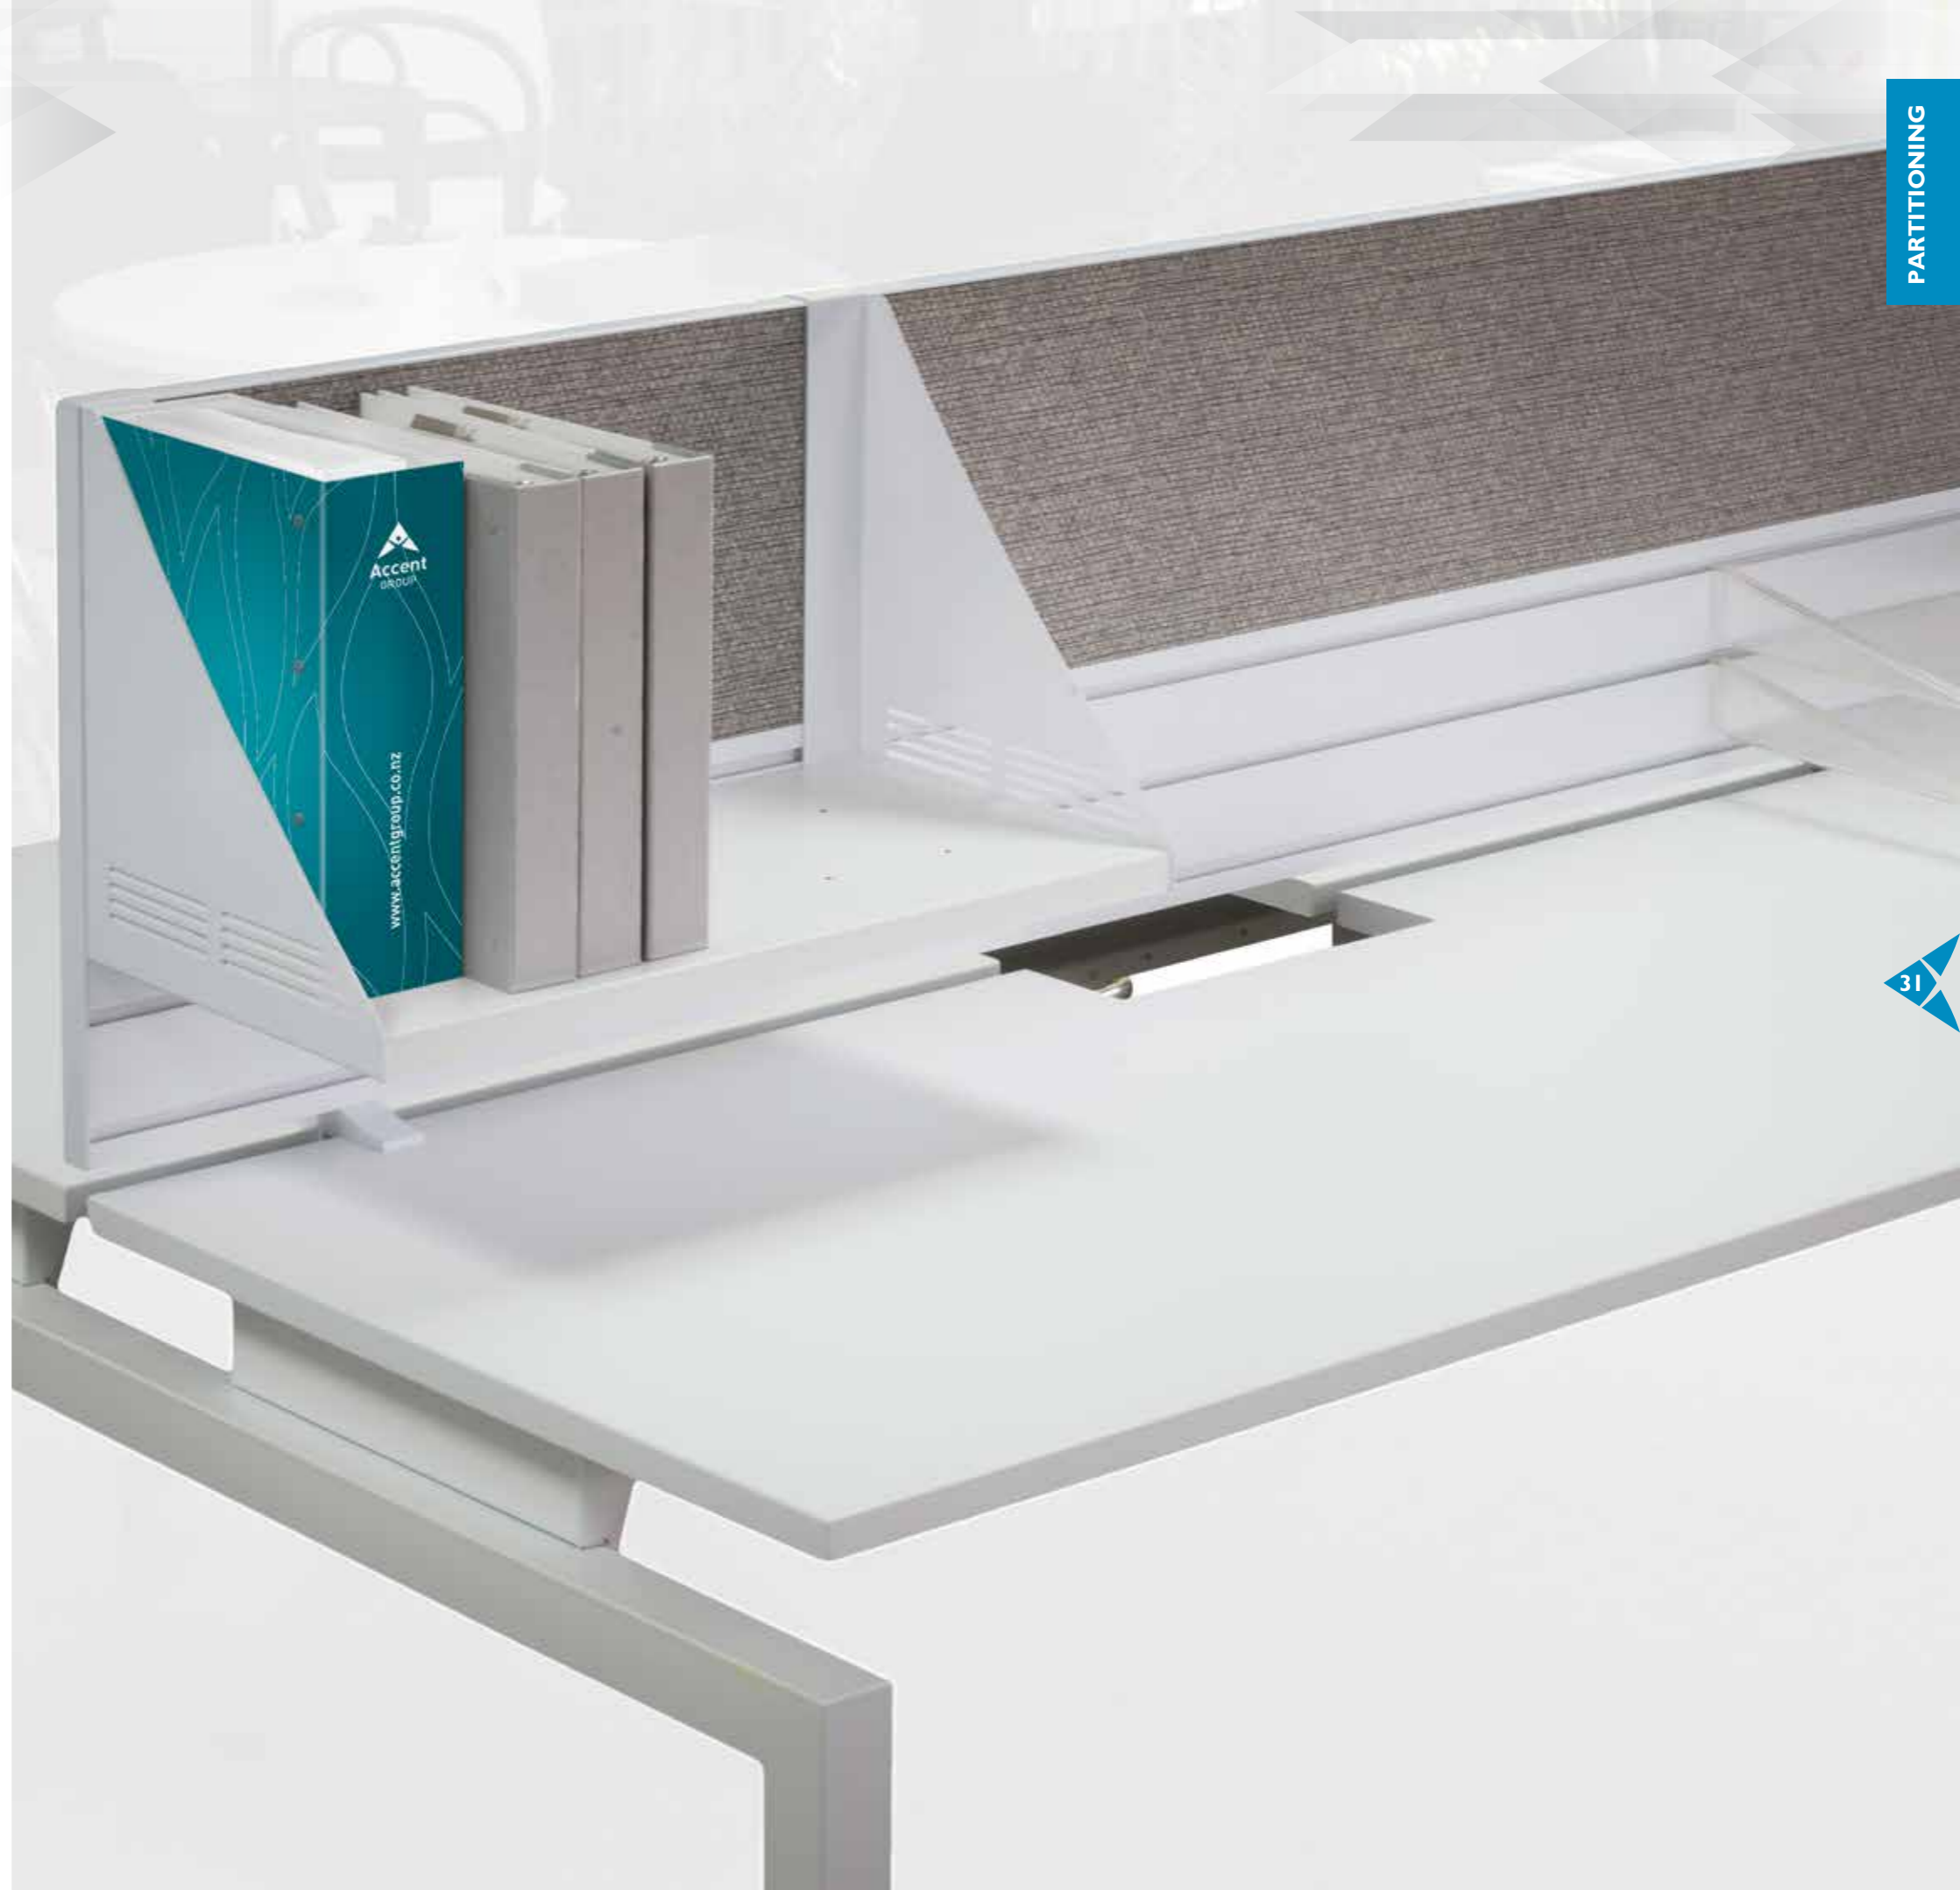

- Sleek modern lines with slimline aluminium edging
- Easy pinnable substrate lets you organise your notes and plans where you can see them.
- Optional Enable triple accessory rail hangs paper trays, pencil trays, folder bins and much more.
- 3 different desk clamp options make for ultra easy installation and reconfiguration.
- Removable clamp on side screens available, perfect for defining workspaces when privacy is required, but removable in an instant to enable collaboration.
- Available in the fabric of your choice.

SYSTEM 25 screens are designed to work in with our ENERGY and BALANCE desking ranges, but suit a large range of desking solutions due to the unique desk clamp bracket fixing system.
